D. Agenda and Discussion	
Agenda Item #1: Introduction and Overview of the Proposed FCSIT HubSpace Application	
Discussion	The Techna team introduced the proposed FCSIT HubSpace application to the PERTEKMA secretary. The team explained the project's purpose of improving the management of the FCSIT Student Hub and providing students with easier access to information about available study spaces.
Decision	The PERTEKMA secretary expressed support for the proposed application and acknowledged its potential usefulness. Further discussion with the relevant stakeholders is required before formal project approval.
Reference	FCSIT HubSpace Project Proposal (Initial Concept)
Agenda Item #2: Student Hub Rules and Booking Requirements	
Discussion	The PERTEKMA secretary explained the existing Student Hub rules. Food and beverages are prohibited, except for mineral water, and students must present their student ID for verification. Access to the Student Hub is restricted to FCSIT students only. She also advised against imposing booking duration limits or time restrictions, as students may need to use the space while waiting for their next class, particularly those living off campus.
Decision	The team will consider the existing Student Hub rules and the client's recommendation regarding unrestricted booking duration when refining the application's requirements.
